### PHYSICO- CHEMICAL CHARACTERISTICS:

---

Protein	≥ 10%
Moisture	14% max.
Chop Size	10 - 15 cm
ADF	$32\% \leq X \leq 44\%$
NDF	$40\% \leq X \leq 58\%$
RVF	≥ 90

### MICROBIOLOGICAL PARAMETERS:

---

Aflatoxin B1	10 ppb max. (ug/kg)
Mold	Below legislation

Availability: All-year round

Origin: Romania

Product from EU, accomplishing full EU request for consumption & commercialization.
